Educator use of AI (excerpt)

Source: web page, section 'Educator use of AI'

Educators may only use AI applications, programs, or tools that have been approved by 27J. …

Educators must comply with all applicable federal, state, and local student privacy laws, including the Family Educational Rights and Privacy Act (FERPA) and the Colorado Student Data Transparency Act, as well as with 27J policies and procedures regarding internet and technology use (GBEE), staff use of AI (GBEE-R2), and privacy and protection of confidential student information (JRCB).
