Barrington Public Schools AI Hub: Data and Student Privacy Passages

Excerpted verbatim from *Artificial Intelligence (AI Hub) (Barrington Public Schools, Rhode Island, web page)*. The source has no page numbers; locations are given by section. Web page; the only privacy-related text is a passing mention in the district vision.

Our Vision (excerpt)

Source: web page, section 'Our Vision'

It is our responsibility to equip our community of learners to navigate these technologies and ignite curiosity while ensuring universal accessibility and student privacy.
