Cutter Morning Star SD Policy 5.10: Artificial Intelligence: Data and Student Privacy Passages

Excerpted verbatim from *Policy 5.10, Artificial Intelligence (Cutter Morning Star School District, Arkansas; adopted July 1, 2025)*. Page numbers refer to the PDF pages of the source file. Cross-reference and legal-reference lists on page 2 are included because they name privacy policies and laws.

Purpose and Compliance with Data Privacy Law

Source: PDF page 1

The Cutter Morning Star School District Board of Directors desires to provide guidance for the appropriate use of AI technologies in curriculum development, instruction, and related educational activities that is aligned with the Arkansas Academic Standards and safeguards student data and privacy while encouraging innovation.

Any AI tools or programs utilized by the District must adhere to State and federal laws; State rules; and Federal regulations governing data use, privacy, and security. Any AI tool used must comply with the District's policies on data privacy and security, especially concerning student information.

Review and Approval of AI Tools

Source: PDF page 1

The superintendent shall establish a committee who shall be in charge of reviewing and approving any AI tools, including automated decision tools, before they may be used. The committee shall establish the procedures the committee shall use for approving AI tool selection.
