Beliefs Shaping the Use of AI: Ethical and Responsible Use (excerpt)

Source: web page, section 'Beliefs Shaping the Use of AI'

AI must be implemented with clear policies and ethical guidelines, ensuring transparency, fairness, and the protection of student and staff data.

Guiding Principles for Students (excerpt)

Source: web page, section 'Guiding Principles for Students'

The following principles guide the appropriate and safe use of AI and address current and future educational goals, teacher and student agency, academic integrity, and security. … Students follow the FCS Acceptable Use Policy and should follow their teachers' guidance on the use of AI tools and ask for clarity before using if they are unsure.

Pillars of Practice

Proper student use: Students will use AI to improve learning from vetted sources approved by FCS.

Evaluating AI tools: Students should use AI tools with the guidance of trusted adults. Not all AI tools are approved or appropriate for all ages, so be sure to check with your teacher or parent first.

Prohibited Use of AI Tools

Sharing personal information: Students will not share personal or confidential information with AI tools.

Unethical activity: Students will not use AI resources for any illegal or unethical activity or use other people's credentials to access AI tools.

Guiding Principles for Educators and Staff

Source: web page, section 'Guiding Principles for Educators and Staff'

Pillars of Practice

- Use FCS-approved AI tools

Prohibited AI Practices

Vetted AI Tools and App Usage: All AI tools must be vetted through Trusted Apps. As teachers and staff discover new AI tools, please submit them for approval.

Protect Student Data in AI: In compliance with FERPA, confidential student information should never be shared in AI platforms.

Guiding Principles for Families: Our Commitment to Responsible and Safe AI Use (excerpt)

Source: web page, section 'Guiding Principles for Families'

Carefully Vetted Tools: We are committed to using AI tools that are approved by the school system, ensuring they are appropriate and safe for our students.

Protecting Your Child's Privacy: We have guidelines in place to make sure students’ personal information remains safe and secure. Staff receive yearly training to ensure proper precautions are understood and practiced.
