Hempfield School District Policy 815.1 (AI): Data and Student Privacy Passages

Excerpted verbatim from *Policy 815.1 - Artificial Intelligence (Hempfield School District, Pennsylvania; Book Policy Manual, Status: Second Reading, May 2025)*. Page numbers refer to the PDF pages of the source file. Ellipses (…) mark omitted text.

Purpose (excerpt)

Source: PDF page 1

The board's purpose of implementing a policy on Artificial Intelligence (AI) is to ensure the ethical and responsible use of AI technologies to enhance teaching, learning, and administrative processes while safeguarding student privacy and data security.

Guidelines: FERPA Compliance

Source: PDF page 2

Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g; 34 C.F.R. Part 99.

All teachers, administrators, and staff are required to adhere strictly to the regulations outlined in the Family Educational Rights and Privacy Act (FERPA) when utilizing any AI resources. Cloud-based AI systems can reuse uploaded data for other purposes, and without an appropriate privacy agreement in place with the operator, usage will result in both privacy and security risks and violations.

The District prohibits the use of the personally identifiable information of students while using AI websites, tools, or applications that have not been pre-approved by the Chief Information Officer or his/her designee. The Chief Information Officer shall establish a process by which teachers and administrators can request the approval of new AI resources. The vetting process shall include a review of the tool's privacy policy, data handling practices, and compliance with FERPA. The Chief Information Officer or designee shall maintain a list of all such approved resources.

Guidelines: Acceptable Use and CIPA Compliance (excerpt)

Source: PDF page 3

All AI tools used by the district will be CIPA compliant.

Guidelines: Grading Student Work

Source: PDF page 3

Approved AI websites and applications may be used to assist with the grading of student work product, but final decisions on assignment grades shall be determined by teachers and not solely by AI technology. Teachers shall ensure that personally identifiable student records are kept secure when using any such grading technology.

Guidelines: Professional Development (excerpt)

Source: PDF page 4

The training should equip educators, administrators, and staff with the knowledge and skills necessary to integrate AI tools into their roles in the District while also addressing data privacy, legal compliance, and ethical considerations.
