Highline Public Schools AI Vision: Data and Student Privacy Passages

Excerpted verbatim from *AI Vision (Highline Public Schools AI Ambassadors, June 2025)*. Page numbers refer to the PDF pages of the source file. Ellipses (…) mark omitted text.

Equity, Safety and Human Connection (excerpt)

Source: PDF page 2

Safety and security remain critical aspects of our AI strategy. We prioritize robust data privacy and cybersecurity measures to protect student information and ensure safe digital environments. Ethical considerations and transparency guide our use of AI, supported by rigorous human oversight, ongoing evaluation and regular community discussions. This framework allows us to proactively address privacy concerns, identify and correct algorithmic bias … and uphold principles of fairness.
