Houston ISD Board Policy CQD(LOCAL): Data and Student Privacy Passages

Excerpted verbatim from *Board Policy CQD(LOCAL), Technology Resources: Artificial Intelligence (Houston Independent School District, Texas)*. The source has no page numbers; locations are given by section. The policy is a single page with no printed page number.

Training (excerpt)

Source: page 1

The Board delegates to the Superintendent the authority to:

- Remove access to the District's computer systems and databases for noncompliance with training requirements as appropriate.

Use in District (excerpt)

Source: page 1

Any use of AI must comply with law, this policy, and administrative regulations outlined in the District's AI Guidebook relating to student and employee use, privacy, and data security.
