Hyde Park CSD Policy 8636 - Artificial Intelligence: Data and Student Privacy Passages

Excerpted verbatim from *Policy 8636 - Artificial Intelligence (AI) (Hyde Park Central School District, adopted June 23, 2026)*. Page numbers refer to the PDF pages of the source file. Ellipses (…) mark omitted text. Original spelling errors are preserved.

Legal Compliance and Approved Tools (excerpt)

Source: PDF page 2

Any use of GenAI in schools, on school networks or devices, or for school purposes must be compliant with federal, state, and local law. Any use of Gen AI must consider adherence with Education Law 2-d and its regulations. Staff may only use software, subscriptions and Gen AI tools that have been vetted and approved by the District.

Sensitive or Other Confidential Information

Source: PDF page 2

Information input into GenAI tools that have not been approved by the District may be used for algorithm training and made available to other users of the system outside the district. District users are strictly prohibited from inputting personally identifiable information (PII) into any Gen AI tool that has not been approved by the District; sensitive, copyrighted, proprietary, or confidential district information; or any information regulated by applicable federal, state, and local law and district policies. These include but are not limited to the following:

- Student information protected by FERPA (see policy 5500) or Education Law 2-d (see policy 8635).
- Staff information protected by New York State Education Law 2-d (see policy 8635), or other confidential personnel information.
- School district information that would be withheld from a Freedom of Information Law (FOIL) request (see policy 1120).
- District-owned copyrighted works (see policy 8650)
