Jeffco AI Guidance for Students: Data and Student Privacy Passages

Excerpted verbatim from *AI Guidance for Students (Jeffco Public Schools, Colorado)*. The source has no page numbers; locations are given by section. Ellipses (…) mark omitted text. This is a web page; the passages are brief bullets from the do's and don'ts list.

3. Consider the Task or Situation: Do's and Don'ts (excerpt)

Source: web page, section '3. Consider the Task or Situation'

Here are some clear do’s and don’ts for using AI in different learning situations:

- Use only district-approved AI tools
- Don't share personal information with AI tools
