Moore Public Schools AI Instructional Use Guidelines: Data and Student Privacy Passages

Excerpted verbatim from *MPS AI (Artificial Intelligence) Instructional Use Guidelines (Moore Public Schools)*. Page numbers refer to the PDF pages of the source file.

Personal Safety and Privacy

Source: page 1

- Do not create accounts or encourage students to create accounts in any AI platforms without first making sure the platform is district approved.
- Protect not only your personal information and privacy but also that of others while using AI.
- Do not share sensitive personal information through a chatbot, such as full name, address, phone number, or any other personally identifiable information.
- Be cautious when interacting with AI, and avoid disclosing confidential or sensitive information about yourself or others

Legal and Ethical Compliance (excerpt)

Source: page 1

- Do not use AI to engage in any form of illegal activity, including but not limited to hacking, spreading malware, phishing, fraud, or any other activity that violates the law.
