PAUSD Generative AI Guidance: Data and Student Privacy Passages

Excerpted verbatim from *Generative AI Guidance (Palo Alto Unified School District, Google Doc exported as PDF)*. Page numbers refer to the PDF pages of the source file. The CSV row is a landing page; the passages come from the linked Google Doc 'PAUSD Generative AI Guidance'.

Objectives: Security and Privacy

Source: page 2

Security and Privacy: We promote trust within our systems by maintaining industry-standard data safeguards and compliance with California student data privacy laws to protect student data and keep students safe.

Questions for Further Discussion (excerpt)

Source: page 3

5. How can we adapt and evolve our data protection and privacy measures to align with the integration of generative AI in our educational environment?

10. What level of teacher monitoring is appropriate when integrating generative AI, and how can we support educators in developing the necessary monitoring skills?
