- Users must be aware of data privacy concerns with AI tools, especially regarding the handling of personal and sensitive information.
- Personally identifiable information, confidential information and/or sensitive information should never be shared with an AI tool unless such sharing is explicitly approved by the School Board.
- All AI tools must comply with the Family Educational Rights and Privacy Act (FERPA), the Children's Online Privacy Protection Act (COPPA) and other relevant privacy laws.
- Students under age thirteen (13) may only use AI tools compliant with COPPA and explicitly approved by the School Board.
- The Information Technology Department ensures that AI tools employed have robust security measures to protect user data from unauthorized access.
- Users are expected to be aware of and comply with the terms and conditions of all AI tools, specifically with respect to age requirements.
- The Information Technology Department conducts regular security assessments of AI technologies to safeguard against vulnerabilities.

Deepfake and Non-Consensual Intimate Imagery

- The use of AI technology to create Deepfake or Non-Consensual Intimate Imagery (NCII) are subject to Policy JCDAF on bullying and Policy GAEAA on sexual harassment or other forms of harassment.

Monitoring and Enforcement (excerpt)

Source: page 4

- The School Board reserves the right to monitor the use of AI tools to ensure compliance with this policy.
- This may include real-time monitoring of network activity and/or maintaining a log of Internet activity for later review.
- Users should have no expectation of privacy when using School Board technology or networks. All activity may be monitored to ensure compliance with this policy.
