Seminole County Public Schools Policy 7540.08: Data and Student Privacy Passages

Excerpted verbatim from *Policy 7540.08 – Responsible Use of Artificial Intelligence and Emerging Technologies (Seminole County Public Schools, Florida; BoardDocs print dated 9/17/25, proposed revision of policy adopted January 21, 2025)*. Page numbers refer to the PDF pages of the source file. Ellipses (…) mark omitted text. Page numbers are PDF page numbers of the BoardDocs printout.

1. Guiding Principles (excerpt)

Source: PDF pages 1–2

A. The use of AI and emerging technologies must support SCPS's educational mission and operational integrity, and must comply with all applicable federal and state laws, including:

- Florida Information Protection Act (FIPA)
- Family Educational Rights and Privacy Act (FERPA)
- Children's Online Privacy Protection Act (COPPA)

B. All technology use must prioritize:

- Protection of personally identifiable information (PII)

2. Acceptable Use (excerpt)

Source: PDF page 2

C. No confidential, proprietary, or sensitive data may be input into AI systems unless the system has been reviewed and approved by the District's Information Services Department.

3. Oversight and Compliance (excerpt)

Source: PDF page 2

A. The Superintendent or designee shall establish administrative procedures for:

- Evaluating and approving AI tools

Student Use of Artificial Intelligence and Natural Language Processing Tools (excerpt)

Source: PDF pages 2–3

Teachers have the discretion to authorize students to use AI/NLP tools after providing explicit instruction of the following:

A. When using AI/NLP tools students need to be aware that they are potentially sharing personal data for possible inclusion in AI datasets.

G. Student access to certain websites/tools using AI may be granted. However, privacy guidelines and age restrictions may be considered prior to allowing student access.

Use of AI by Teachers and Staff (excerpt)

Source: PDF page 3

C. AI/NLP use requires scrutiny to protect against the compromise of personally identifiable information and/or violation of District policies/procedures.

E. Teachers/Staff should share neither passwords nor any other confidential, proprietary, or sensitive District/student information with AI/NLP tools.

F. Student records, names, addresses, or other personally identifiable information shall not to be uploaded to AI/NLP tools by teachers/staff.

G. AI/NLP tools may not be integrated with District software without the authorization of the District's Information Services.
